

PROCUREMENT OF AN

AUDIO WORKSHOP FACILITATOR

You will work alongside the Head of Creative Development and Business Development Manager to create and facilitate a number of masterclasses and workshops on sound design and audio editing using digital tools.

RESPONSIBILITIES INCLUDE:

- Planning workshop and masterclass content
- Arranging (as appropriate) co-facilitators and delivery partners
- On-the-day delivery and / or supervision of delivery to Generator beneficiaries
- Promotion and marketing of workshops and masterclasses using Generator assets and guidelines

This role requires flexible working hours, good organisational skills, excellent written communication skills and the ability to work to tight deadlines.

A successful candidate will have...

- Experience and passion for working in the music sector
- A proven track record as an audio engineer
- A proven ability to plan and deliver workshops and masterclasses
- A proven ability to create and curate appropriate masterclass content
