

## PROCUREMENT OF A

# Music Industry Advisory Group Chair

You will chair Generator's new Music Industry Advisory Group, working with the CEO to set direction and lead discussion and strategic development.

## Responsibilities include:

- Leading the Music Industry Advisory Group
- Playing a key role in the development of relevant educational and skills qualifications
- Working to create industry partnerships and sponsorships for Generator
- Acting as an advocate for Generator initiatives
- Providing 12 hours mentoring / 1:1 advice per year to aspiring musicians and music industry professionals
- Chair 4x "town hall"-style meetings per year

## A successful candidate will have...

- High level experience as a key player in the music industry
- A proven track record in developing commercial partnerships
- Understanding and passion for music and music-industry education
